MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Report on Incentive Awards Program
1 July to 30 September 1955

REFERENCE: Memorandum from ADD/S to C/MS, same subject,
dated 26 May 1955

1. ADMINISTRATION

During the first quarter of Fiscal Year 1956, the Incentive Awards Committee and the Special Panel for Clandestine Services met two times each. Meetings averaged one and one-half hours each and were attended by seven members of the Committee and three members of the Panel.

2. STAFFING

The Program was operated by the Incentive Awards Staff which included at the beginning of the period one GS-12 Officer, one GS-5 Stenographer, and one GS-4 Clerk-Typist. Authorized staffing was completed during the period by the additional assignment of one GS-11 Officer [redacted] a returnee from FE Field whose overseas experience should assist in establishment and operation of a field program) and one GS-3 Clerk-Typist.

3. REGULATORY ISSUANCES

25X1A A. Regulation [redacted] Incentive Awards Program, effecting the changes in our Headquarters program resulting from passage of the Government Employees' Incentive Awards Act (Public Law 763, Title III), has been drafted and sent to various Agency components for coordination. [redacted] is withholding concurrence pending issuance of [redacted], which has been drafted and submitted to Regulations Control Staff for coordination.

25X1A

25X1A B. [redacted] Announcement of Assignment to Key Positions, Incentive Awards Board, was published 26 August 1955. It announced the transfer of responsibility for administration of the program from the Office of Personnel to Management Staff and the membership of the Incentive Awards Committee.

4. BACKLOG

Major emphasis has been placed upon reduction of a sizable backlog of employee suggestions, some of which had been in process as much as two years. Since this is considered to be the most significant cause of our low employee participation rate in relationship to other Government agencies, it is believed to be worth concentrating efforts on its elimination as a major objective for the next quarter. Progress to date is given below:
